BUSINESS ARISING FROM PREVIOUS MINUTES

Item 1 February minutes

Gordon advised that he had conducted his first inspection under the new Queensland Rally Registration system. There were a few issues still to be sorted out.

Item 3 February minutes

Gordon advised that the shipping container was still coming

NEW BUSINESS:-

Item 1

Clay advised that the committee had opened a club account at the Bank of Queensland. The Club's account at the Commonwealth will remain open until the Term Deposit matures and then all funds will be transferred to the Bank of Queensland. The reason for the change was that the Bank of Queensland offered on-line banking facilities more suitable to the Club. The club is now able to pay accounts by direct credit. Each transaction still requires two committee members approval. Both he and Annette had approached the Commonwealth Bank on numerous occasions to set up internet banking for the club, but unfortunately they were unable to assist us.

Item 2

Gordon advised that the Mt Morgan Golden Mount Festival committee had approached the club to display some rally cars at their event on the Mayday weekend of 1st and 2nd May 2015. If anyone can assist, they should contact Evelyn Rogers on 0427 203 570 for further information

Item 3

Dave Watson asked if anyone was interested in displaying their vehicles in a club display at the Classics by the Coast being held at Emu Park on Sunday 24th May 2015. This event is run annually by the All Classic Motor Club. Entry is \$10.00. Dave was asked to provide all the information on a flyer so that it can be put on the club's website.

Item 4

Gordon advised that a working bee was required to sort out and repair some equipment for the QRC. E.g. straighten out bent pegs etc. This will be held at North Rocky Mechanical on 9/5/2015 9.00 am start. Bring gloves.
