NEW BUSINESS:-

Item 1

Craig advised that he had mailed out the membership packs (Cap, stainless steel travel mug and new club sticker) together with the new plastic 2019 membership cards.

Craig advised that he was happy to undertake the job of producing and posting out membership cards and packs for 2019. He advised that members should expect to receive them in approx. 7 – 10 days from submitting their application.

Item 2

Danny submitted a proposed calendar for the year. This will be published as soon as possible.

Item 3

Discussion took place as to how to make more people aware of our events, besides facebook and the Club's website. In particular for those, that do not have access to social media. The previous system of sending out text messages is no longer available through Telstra and the alternative is expensive and time consuming. Emails seem to be the only other suitable means of notification.

Included in this discussion, was the calling for EOI for the Hillclimb event. Craig also explained the reasoning why the closing of the EOI was so far out from the event date.

Item 4

Clay offered the Club's congratulations to Megan on her recent CAMS award.

Item 5

Craig advised that there would be a working bee on Saturday 23/02/2019 for the Hillclimb event. He will require about 10 people to do some clearing and fencing etc. Starting time approx.. 7 -8 am. Meeting at the Pit area. Bring hats, sunscreen, food and drinks.

EVENT REPORTS:-

Observation Run 19th January. Only 10 cars entered. Although this was disappointing, those that did participate had an enjoyable afternoon which finished with a sausage sizzle at Gracemere. A big thanks to Peter G and Peter M for the food and drinks.

UPCOMING EVENTS:-

Bitumen Motorkhana/Khanacross (CQLX Gracemere) 10/03/2019

Jamie and Andrew have agreed to run this event. They will undertake their on-line training asap.

MEETING CLOSED AT 8.43 p.m.
