6. New Business (with notice)		
	<p>6.1. Change of meeting time and venue <i>Everyone doesn't believe change in time would increase the numbers of attendance. Investigate reminder notifications. Possibly website. Dion suggested using Xero as he uses in within the business.</i></p>	
	<p>6.2. Club Container & Trailer <i>Has been cleaned by Craig and trailer is completely empty and he believes that if you do an event you need to put in equipment from container into trailer. We will need to buy new equipment, new tents, and chairs. Need to go through and throw all old paperwork.</i></p>	

	<i>Need to pick a spare weekend to go through this. Tony has equipment at his house. Trailer needs new trailer and new bearings.</i>
