# About Central Queensland Motor Sporting Club Inc.

**Central Queensland Motor Sporting Club Inc. (CQMSC Inc.) was formed in 1959 and is one of the largest car clubs north of Brisbane. It currently organises approximately 12 events each year, ranging from Motorkhana, Khanacross, Rally Sprints and a Hillsprint.**

**CQMSC is a non-profit organisation with over 100 members. CQMSC has the reputation of an excellent safety record and are known for running well organised / professional events which are often the favourites for many competitors local and interstate.**

## Mount Morgan – The Golden Mountain

Welcome to the historic site of one of the world's most productive gold mines in Central Queensland's charming hinterland.

Commencing operation in 1882, the mine became one of the richest gold mines in Australia, and for a period of time - the world. During its 99 years of mining the area declared a total of 225 tons of gold, 50 tons of silver and 360,000 tons of copper.

The town offers ideal opportunities to delve into the area's early successes and relive its fascinating past with a range of impressive attractions on show, along with museums and tours operating seven days a week.

## Bouldercombe – Bouldie Falls

Here in Bouldercombe you will find a friendly, small, rural community, the town first being established after minor gold discoveries in the 1860s.

Bouldercombe once was known as a dairying and orchard area servicing Rockhampton, now has a primary school, public hall and sports complex. Bouldercombe Gorge Resource Reserve is also a great attraction, especially after the recent rain.

**CQMSC Inc. would like say a massive thank you to the residents, volunteers and community groups of Mt Morgan & Bouldercombe.**
