## Events coming up

- S1 rally in 3 weeks' time. Denise and Tony will go out and grade the track.
- 13 Competitors expected. Tony is organising the license.
- John Patterson has agreed to run the S1 rally event from next year.

## General Business

- Jesse, who owns Cooper Downs, attended the meeting and has expressed interest in expanding motor sports events at his property. Jesse is hoping to include burnout pads and drifting events. As Jesse is looking into grants he would require a partnership with a non-profit organisation such as our club. In return CQMSC would get a long-term lease to run motor sports events there. Extreme interest was expressed in this partnership.
- RRC has spoken with Tony regarding another area not subject to flooding to run events near Hastings Deering.
- Tony advised 4K rules for Kanacross has changed. A car classed as modified production must have a roll cage. Any car that has a standard motor as produced anywhere in the world does not require a roll cage. Tony to get clarification on this.
- For S1 rally, headlights, taillights and brake lights must work.
- Darryl has organised all the paperwork into a room upstairs and will do an audit on everything up there.
- Working bee to be organised at next meeting to remove shelves from container.
- All permits have been carried over from previous events.
- People who control the Gracemere sale yards have mentioned closing the sale yards at 4.00pm. We need to speak to someone on the committee to discuss this.
- Anita to donate Great Northern Chair and Esky for raffle. Tickets will be \$2 each or 3 for \$5.
