Events coming up

Motorkana/Drifting – Possible decibel control considered.

Aaron to check with QLX about the continued use of the Gracemere sale yards for these events.

Possible September date for drifting.

Seeking interest for an event to be held at the Leichhardt on the 10th October.

S1 rally event has been cancelled.

Kanacross is a go – Brooke has organised it. Looking for sponsorship, volunteers.

Request prepaid entry before event starting at 9.30am. Course has been graded and the Speedway water truck may be available.

General Business

Drone controller, (Zach – Archer Aerials) from Gold Rush has asked if they could participate in more of our events. He is accredited with Motor Sports Australia. Can not do Rosel park as it is in the Flight Zone for the airport. We could reach out to the airport authority and see if we could come to some arrangement.

Someone will be required to run the S1 rally sprint next year.

Someone else to help with IT work for the Hill Sprint next year.

Brooke requested a closed Facebook group be set up for members only. This was agreed to by Tony and seconded by Anita.

Next Meeting: September 8th

Meeting close: 7.35pm
